 50% Discount

Duho Non-Cradled Panels.

Choose from hardwood, metal, linen, canvas, and watercolor paper panels which fit seamlessly into a variety of hand-crafted frames.

All our Duho Non-Cradled Panels are mounted on 3/8"-1/2" 100% Formaldehyde-Free Natural Fiber Panels using archival pH neutral adhesive.

Duho "GREEN" Line Non-Cradled Panels

Duho "GREEN" Non-Cradled Panels are made of your choice of a Maple, Cherry, and Walnut.

The United States recognizes domestically grown lumber as a "green" product due to reduced transportation emissions and strict harvesting and replanting regulations.

Materials

Canvas - Fredrix "Dixie" 100% Cotton 12oz Double Acrylic Primed Linen - Claessens Belgian Linen 15oz Double Oil Primed
 Watercolor Paper - Arches 100% Cotton 156lb Coldpress Metals - Our metals are 0.040"/32oz/16 gauge thickness. They are 90% recycled.

Adhesives

Our tops are adhered to the cradled panels using a 100% archival, acid-free, pH neutral water-borne glue. Caution-do not over saturate with solvents.

All our Duho Non-Cradled Panels are mounted on 3/8" -1/2" 100% Formaldehyde-Free Natural Fiber Panels.

Our material suppliers are in compliance with the Lacey Act, FSC, APHIS, CITES, ESA: in acknowledging and supporting other countries' efforts to govern their own natural resources and global trade (legal harvesting and replanting practices, legal sustainable logging, legal production and trade, accompanied with valid permits and declaration requirements).

Due to the natural characteristics of these materials, we cannot guarantee identical wood grain, color, pattern, or availability. Therefore, prices may vary depending on global wood supply and distribution.
